SANDY SIXTH FORM

YOUR NEXT CHAPTER STARTS HERE

Choose a Sixth Form where your ambitions matter, your teachers know you well and you receive the support and challenge to achieve your very best.

Confident. Connected. Future Ready.

SMALL COMMUNITY. BROAD OPPORTUNITIES.

With **more than 30 subjects**, our Sixth Form combines wide choice with a personal approach. Explore your interests and build a programme of study that supports your goals, through A Levels, vocational qualifications or a combination of both.

KNOWN AS AN INDIVIDUAL. SUPPORTED TO SUCCEED.

Our small Sixth Form means we know your strengths, understand your aspirations and can respond to your individual needs. Personalised academic guidance and high-quality pastoral care help you stay on track and make confident decisions about your future.

AMBITIOUS TEACHING. SUCCESSFUL FUTURES.

Our academically rigorous curriculum encourages you to think deeply, develop specialist knowledge and become an independent learner. Expert teaching, regular feedback and high expectations prepare you for university, higher-level apprenticeships and future careers.

Our students successfully progress to a range of universities, including **leading Russell Group institutions**, and specialist higher education pathways. **In 2026, every student who wished to progress to university secured a place.**

SPACE TO LEARN. OPPORTUNITIES TO GROW.

Enjoy your own Sixth Form Centre, with dedicated study and social spaces, alongside access to our VR suite, science laboratories, athletics track and specialist art, photography, drama and performing arts facilities.

Extend your learning through the **Duke of Edinburgh's Award**, the **Extended Project Qualification, Food Science & Nutrition** and, where appropriate, **Core Maths** - building skills, confidence and experience for your next steps.
