Food Studies/Hospitality and Catering Department

IKE Overview

Key Stage 3 – Year 7 and 8
Students will be set a Home Learning task to learn a section of the food studies knowledge organiser. This could be to learn about equipment, key facts or key words and definitions and will focus on both current and prior learning. Students will be quizzed each fortnight at the start of their theory lesson. The knowledge organisers and IKE+ tasks are available on Edulink. Students have a choice of learning activities and should aim to complete a minimum of 2 per half term.

Key Stage 4 – Year 9
Week A- Students will be set a Home Learning task to learn a section of the hospitality and catering knowledge organiser. This could be to learn key facts or key words and definitions and will focus on both current (unit 1) and prior learning. Students will be quizzed each fortnight at the start of the lesson. **Week B-** Students will be set either an exam question to complete to support exam skills and allow students to apply their knowledge and understanding or a small research task. Students will need to put the information that they find into their own words as copying and pasting will not be accepted. This will need to be handed in to the teacher in the lesson so that this can be marked, and feedback given. Teacher feedback will be given on the research tasks. Peer/self-assessment/teacher feedback will be given on the exam questions to allow students to develop their understanding of the WJEC mark scheme. Knowledge organisers and IKE+ tasks are available on Edulink each half term. Students have a choice of learning activities and should aim to complete a minimum of 2 per half term.
